ABERDOVEY CENTRE

Aberdovey is the original Outward Bound centre. Young people have been coming here since 1941. Aberdovey is on the coast in Snowdonia National Park. Our location means you don't have to choose between beach based water activities, expeditions in the mountains or sleeping out in a cabin in the forest – they're all here waiting for you. These places will be your classroom for your course, giving you space to learn, try a new challenge and have fun.

SLEEPING, EATING AND WIFI

Aberdovey is our biggest centre, accommodating 184 young people in dorm rooms that sleep 4-6.

You'll be served freshly prepared food with plenty of variety on offer. We can meet any dietary requirements, provided you let us know in advance.

Group leaders enjoy separate accommodation in twin rooms, some with en-suite facilities.

WIFI is available in social areas and 4G can be accessed on most providers.

GETTING HERE

Our venues are purposefully set in remote locations as the outdoor environment plays an essential role in every Outward Bound® programme. We use the mountains, lakes and rivers on our doorstep to support our participants to build their confidence and achieve their goals. Using the outdoors in this way means that our programmes have real, transferable impact. Our clients tell us time and again that it's more than worth the journey.
