

MY THOUGHTS

AND REFLECTIONS

ROCK, STICK AND LEAF

Find a small rock, stick and a leaf. Think about something that had 'rocked' for you, something that would 'stick' with you and something you wanted to 'leaf' behind.

What 'rocked' for you?

What will 'stick' with you?

What will you 'leaf' behind?

Write down anything else you've reflected on during your course or want to remember.
