

WELCOME TO THE OUTWARD BOUND TRUST'S HOWTOWN CENTRE

WHY CHOOSE HOWTOWN?

Howtown is our newest venue, offering modern, purpose built accommodation. Situated a stonethrow from Lake Ullswater and with private jetty facilities, it couldn't be easier to begin your journey on the water.

You'll be surrounded by the imposing High Street Fell – a former Roman road – and be close to some of the Lake District's classic climbing crags.

ACCOMMODATION

Sleeps 72 in bunk rooms of 4-6, all of which have en-suite toilet and shower facilities. Rooms are functional but comfortable, with plenty of storage space and some great views.

DINING

The Howtown dining room is well positioned, looking out to the local fells. Your meals here are all freshly prepared on site, and there's always plenty of choice, including lots of vegetarian options. Our catering team are happy to cater for any dietary requirements, provided you let us know in advance.

OTHER FACILITIES

Group leaders enjoy separate accommodation in twin or single rooms, some with en-suite facilities. They also have access to a staff lounge.

WIFI is available, but given the location, service is patchy. Participants also have access to review rooms, social areas, a small shop, a payphone and juice bar.

GETTING TO THE CENTRE

Our venues are purposefully set in remote locations as the outdoor environment plays an essential role in every Outward Bound programme. We use the mountains, lakes and rivers on our doorstep to support our participants to build their confidence and achieve their goals. Using the outdoors in this way means that our programmes have real, transferable impact. Our clients tell us time and again that it's more than worth the journey.

From the M6 North and South

Take junction 40 off the M6 and follow the signs for the A66 and Keswick. After approximately 1 mile you will reach a roundabout. At this roundabout take the turn off for the A592 and continue on this road until you reach the junction with the B5320. Turn left onto the B5320 (Pooley Bridge), go over the bridge and through the village until you get to a mini roundabout. At the roundabout turn right and at the next crossroads turn right and follow the road for approximately 3 miles. We are situated on the left-hand side.

From the East
